

Mint Dental Hygiene Toothpaste

Product Disclaimer, Use Guidelines & Refund Policy

PRODUCT OVERVIEW

Mint Dental Hygiene Toothpaste is a fluoride-free, natural oral care product formulated with nano-hydroxyapatite to support enamel health, reduce sensitivity, and promote overall oral wellness. It is designed for topical use in adults and children under supervision.

MEDICAL & USE DISCLAIMER

- This product is not a medicine and is not intended to diagnose, treat, cure, or prevent any disease.
- Results may vary depending on individual use, diet, oral health, and dental care habits.
- Children under 6 should use a pea-sized amount under adult supervision.

Follow directions on product label. For best results, use consistently as part of your oral care routine.

- Consult your dental professional before use if you have existing oral health conditions.

ALLERGY NOTICE

- Always check the ingredient list prior to use if you or your child has known sensitivities.
- Discontinue use and consult a medical professional if irritation occurs.
- We are not liable for reactions unless medically confirmed to be caused by a listed ingredient.

REFUNDS & RETURNS POLICY

- Due to hygiene standards, we do not offer refunds or accept returns on opened products unless:
 - The product is faulty or damaged on arrival (photo evidence required), or
 - There is a medically confirmed allergy to a listed ingredient (documentation required).
- Refunds are not given for dislike of texture, taste, or unconfirmed reactions.
- Claims must be made within 7 days of receiving the product.

LIMITATION OF LIABILITY

- By using this product, you agree that Mint Dental Hygiene Ltd is not responsible for any damage resulting from misuse or unverified adverse reactions.
- Use only as directed and consult a healthcare provider if unsure.
